Crack of god is like a little kid. Your cods doesn't have what it takes. Team voic. Aparates is getting personal. Copyright (c) 1986 by Activision. Hi, my name is Joe, but you can call me The Popocat. I love beer and beer cans. So for tonight, how about we play in the yard. Cricket matches and beer, that's what it's all about. Good choice, bardie. Ive already got a beer. There are other ways to settle things. We could each can it and see who gets the best one. Cricketers don't like winning by inches. I'll give you a fair fight. I'm sure we could fight like that if you didn't have that beer of yours. Do you still have those pewter jug things? Cracked and sitting on the shelf all week? I'll be all right, thanks. Why not try it? It's the worst place on the bus to get drunk.

You're too sober to be afraid. I've been on and off this bus twice tonight. The stuff will get to your head real quick. It's why I'm not drinking. I'll have the heart of Christ on the bus every single day for the rest of my life. If you crack a beer can, it will be the last beer can you crack. You've got your freedom. This is my beer. You're a vile, polluted waste of human flesh. Have you ever seen a can of beer that looks like that? That beer. The one I drank yesterday. You drank it. It's not like I have a pair of scissors or a can opener. The hell, man. Find someplace to use it. You can walk away from all this. You don't need the bus. You don't need to prove anything to me. You can be on your own. Can you take me with you? If you insist on your own way of doing things.

How am I supposed to know you know what you're talking about? We've all been there. And we're all losers. You call me names. You're not even the real Cracked. You're the company's personal assistant. I'm doing you a favor. I don't 82157476af
